Subject: CDX package request clarification for AgLogic actions

Hello Kimberly,

I have attached the CDX packages for both the currently registered product (EPA Reg. No. 87895-4 CDX_2020_013494) and the new product registration (CDX_2020_013495) to this message. Those are the only CDX packages we are requesting get expedited processing through the front end at this time.

Sorry for any confusion the multiple messages may have caused.

Shanta

Subject: RE: AgLogic 15GG (EPA Reg. No. 87895-4) Supplemental Label Submission

Shanta:

In addition to the package CDX_2020_013494, is there another submission application associated with the re-submission requiring expedited processing. Or just this one?
